Dear Mr. Dunkham,

I appreciate the kind things you say in your letter.

And the rest of what you said.

Including that JFK was on his way to greatness.

We do have all our books, as the enclosed list, with prices, shows.

We ask that those in Canada remit in US currency because we live in the country and otherwise it takes two banks and two bank charges for us to convert.

Your post office provides that.

Thanks and best wishes,

sincerely,

Harold Weisberg
